

Part 2601 Chapter 8: Administrative Medical License

Rule 8.1 Definitions. For the purpose of Part 2601 Chapter 8, the following terms have the meanings indicated:

- A. “Administrative Medical License” means a license to engage in professional, managerial, or administrative activities related to the practice of medicine or to the delivery of health care services, but does not include nor permit the practice of clinical medicine or the right to engage in medical research including clinical trials on humans.
- B. “Clinical Medicine” means medical practice that includes but is not limited to:
 - 1. Direct involvement in patient evaluation, diagnosis, or treatment;
 - 2. Prescribing of any medication;
 - 3. Delegating medical acts or prescribing authority; or
 - 4. Supervision of physicians, physician’s assistants, or advanced practice registered nurses in the practice of clinical medicine.

Rule 8.2 Administrative Medical License. The Board may issue an administrative medical license to a physician who meets all qualifications for full licensure in the state, including payment of a fee set by the Board but who does not intend to provide medical or clinical services to or for patients while in possession of an administrative medical license and signs a notarized statement to that effect. An administrative medical license is subject to annual renewal.

In addition to the restrictions as noted in Rule 8.1 above, any person holding an administrative medical license shall be subject to all other provisions of the Medical Practice Law, Sections 73-25-1, et. seq., and the Administrative Code of the Board, where deemed applicable.
